Dear Dr. Lederberg:

Thank you very much for your note.

I would be very happy if you would take the matter up with the University of Wisconsin Press. Steinhaus is doing the same in California. If neither of you get positive results, then we would go to Cornell, and if that fails, we will try UNESCO.

I am presuming in doing this that a translation would be agreeable to Buchner and that his publisher would make the illustrations available.

Best regards.

Sincerely yours,

Walter Carter, Head
Entomology Department
